Re: Transfer of Notice of Intention of Small Mining Operations from Mountain Valley Stone, Inc. to Paul Fitzgerald Contractors, Inc., Heber Red Project, S/051/003, Wasatch County, Utah

Dear Mr. Fitzgerald:

On September 30, 2002, we received the completed Transfer of Notice of Intention of Small Mining Operations from Mountain Valley Stone, Inc.. The transfer is for the Heber Red small mining project located in the SE¼, Section 6, T4S, R6E, Wasatch County, Utah from Mountain Valley Stone, Inc. to Paul Fitzgerald Contractors, Inc. You paid the \$150.00 permit fee for this project when you initially hand delivered the transfer form the first part of August. Mountain Valley Stone, Inc. had not signed the transfer at that time.

The Associate Director of the Division signed and executed the transfer document on October 3, 2002, *which effectively transfers the responsibility of this mining operation and reclamation to you as owner of Paul Fitzgerald Contractors, Inc.* A copy of the executed transfer form is enclosed for your files. You are now the official party responsible for all mining and reclamation obligations for this project.

By copy of this letter the Division hereby officially releases Mountain Valley Stone, Inc. from any further operations or reclamation responsibilities at this site. If you have any questions or concerns regarding this letter, please contact me at (801) 538-5286. Best of luck with your new mining venture.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
